Re: Well location for the Charlie Brown #7 API No. 43-013-20358

A review of the well locations in Duchesne County has revealed that the Charlie Brown #7 well is located 1850 FSL 1950 FEL, Section 9, Township 5 South, Range 4 West, Duchesne County, Utah. This location has been determined by the USGS as indicated from aerial photography.

The current State record for this well has no footage measurements for the exact location. The above information should be added to the database either as a footnote or as part of the actual record. Further information concerning this matter can be obtained from the Duchesne SE, Utah 7.5 minute series topographic map.
