Re: See attached list of wells

Gentlemen:

In reference to the above mentioned wells, considerable time has gone by since approval was obtained from this office.

This office has not received any notification of spudding. If you do not intend to drill these wells, please notify this Division. If spudding or any other activity has taken place, please send necessary forms. If you plan to drill these locations at a later date, please notify as such.

We will be happy to acknowledge receipt of your response to this notice if you will include an extra copy of the transmittal letter with a place for our signature, and a self addressed envelope for the return. Such acknowledgement should avoid unnecessary mailing of a firm second notice from our agency.

Your prompt attention to the above will be greatly appreciated.

Respectfully,

Permits to Drill

Gentlemen:

Please reference your letter dated December 5, 1983 concerning well permits for eight wells which have not been spudded. The Ute Tribal #1-25 and Federal #13-35 are scheduled in our immediate drilling plans. We intend to drill several of the other listed wells during 1984 and would therefore like to maintain an approved permit to drill.

Please let me know if this presents a problem.
