RE: Exception Letter for the Ute Tribal #5-19-55  
**1686' FNL** & 520' FWL of Section 19 T-5S R-5W  
Duchesne County, Utah

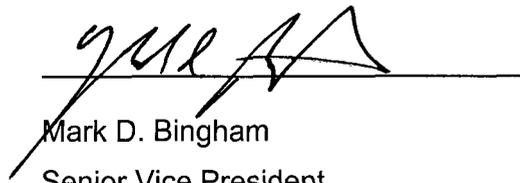

Dear Ms. Whitney:

FIML Natural Resources, LLC has no objection to the proposed Ute Tribal #5-19-55 well being drilled **1686' FNL** & 520' FWL of Section 19 T-5S R-5W. The original "legal" drillsite location was moved due to severe topographic conditions. Moreover, the Ute Tribal representatives would not allow the drillsite to be placed at the legal location due to the severe topographic constraints.

FIML Natural Resources, LLC is the only owner within a 460 foot radius of the proposed well location.

The signature below is our written waiver of objection to UT Administrative Code R649-3-3.

Dear Ms. Kuhn:

The Application for Permit to Drill (APD) for the subject well was approved by the Division of Oil, Gas and Mining (Division) on September 21, 2006. A new APD must be filed with this office for approval prior to the commencement of any future work on the subject location.

If any previously unreported operations have been performed on this well location, it is imperative that you notify the Division immediately.

Sincerely,

Diana Mason
