Gentlemen:

We have made application to your commission for a well site slightly off pattern in NE SW Section 29, T 20 S, R 7 E, Emery County, Utah. We are in hopes for your approval of location because of the rough terrain; therefore, our being unable to spot the location at the exact distance from section lines as we would have preferred.

Hoping the above meets with your approval,
I remain

Sincerely,

MID CENTRAL OIL & MINERALS, INC.
