Dear Sirs:

Re: Bitter Creek Oil Company
Harley H. Bashor, Co-Partner

The above named, on May 9, 1961 was granted approval to drill a well No. Eagle Fee #1 in Section 11, Twp 18S, R 24, SLBM, Grand County, Utah.

It was impossible, for various reasons, to go ahead and drill this or any other well, but Bond was arranged for and not used.

The Bonding company advise that it is necessary to get a release from your office before this bond can be cancelled.

I do not know the whereabouts of Mr. Bashor at this time, but I am billed for the bond and am very anxious to procure the release in this instance so that I will not be held liable for the premium on the bond.

I shall appreciate your assistance in this matter.

Very truly yours,

L. C. Nowlan
