Attention: R. E. Holt, Secretary

Gentlemen:

This is to acknowledge receipt of your notice of intention to drill Well No. State #7, which is to be located 1550 feet from the south line and 1550 feet from the west line of Section 16, Township 20 South, Range 24 East, SLBM, Grand County, Utah.

Please be advised that this Commission cannot grant administrative approval to drill this well, which is to be on an unorthodox location. The location violates the spacing rule as set forth in Field Rule 2-2, as adopted in Cause #2, June 28, 1956. If topography is not the controlling factor for this location, a hearing will have to be held in order to grant an exception to said rule.

Please advise this office if a hearing is so desired.

Very truly yours,
