MEMO FOR COMMISSIONERS

Re: Zuma Oil and Uranium Corp.  
Fee Lennie #1  
Sec. 20, T. 19 S., R. 23 E.,  
Grand County, Utah

On May 3, 1967, the above named well was visited.

Old abandoned location does not meet with approval (Prior to OGCC-  
No bond). A marker has been erected but no identification has  
been placed on it and the well site had considerable junk strewn  
about. Again, an attempt will be made to contact the responsible  
party and have a more proper clean-up made of the location.
