MEMO FOR FILING

Re: Carter Oil Company
Harley Bashor #1
Sec. 20, T. 18 S., R. 25 E.
Grand County, Utah

This relatively old plugged and abandoned well site was visited on June 8, 1976.

The general area was in excellent condition, and the only sign which indicated that a well had been drilled, was the presence of the regulation dry-hole marker. The well identification and location were still quite legible.
