Re: Well No. West Federal #4
Sec. 19, T. 19 S, R. 23 E,
Grand County, Utah

Gentlemen:

Insofar as this office is concerned, approval to drill the above referred to well is hereby granted in accordance with the Order issued in Cause No. 102-5. However, it is suggested that sufficient cement be utilized to insure that good cement returns are obtained when the surface casing is cemented. The proposed 22 sacks appear to be inadequate.

Should you determine that it will be necessary to plug and abandon this well, you are hereby requested to immediately notify the following:

PATRICK L. DRISCOLL - Chief Petroleum Engineer
HOME: 272-5813
OFFICE: 328-5771

Enclosed please find Form OGC-8-X, which is to be completed whether or not water sands (aquifers) are encountered during drilling.

The API number assigned to this well is 43-019-30253.

Very truly yours,

DIVISION OF OIL, GAS, AND MINING

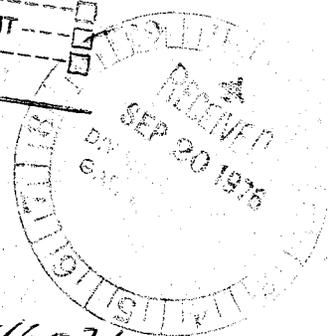

CLEON B. FEIGHT
DIRECTOR

Re: Well No's: ✓
West #1 and West #4
Sec. 19, T. 19 S, R. 23 E,
Grand County, Utah

Gentlemen:

In reference to your letter of September 17, 1976, please be advised that this Division is hereby rescinding the approval granted you for the drilling of the above referred to wells this date. If and when you should decide to drill these wells, it will again be necessary for you to obtain the approval of this office.

Further, subsequent to final inspection of the West #10 and Linney #1 wells, this office will consider release of your Bond.

Very truly yours,

DIVISION OF OIL, GAS, AND MINING

CLEON B. FEIGHT
DIRECTOR
