Mr. George Naylor, President  
Utah Gas and Oil Corporation  
1515 South 1100 East  
Salt Lake City, Utah 84105

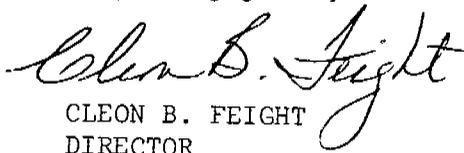

Dear Mr. Naylor:

This office has recently received two sundry notices; namely, the Y. R. Ranch and Livestock Company #1, Section 9, T. 2S, R. 6E S.L.B.M. and the Gillmor Fee Lakeview #1, Section 16, T. 1N, R. 1W, in which it has been indicated that both wells have spudded-in.

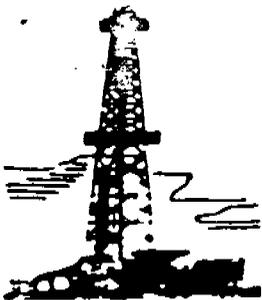

I wish to inform you that this office has never issued a permit to your company to commence operations at the above locations. Secondly, a valid bond is not in effect covering these wells.

I do not choose at the present time to issue a "show cause" order requiring your appearance before the Board of Oil, Gas, and Mining, provided that you appear personally in this office within 10 days and explain why these flagrant violations have occurred.

Very truly yours,

  
CLEON B. FEIGHT  
DIRECTOR

Re: Your letter, November 20, 1978

Dear Mr. Feight:

Enclosed is a copy of approval to drill Y R #1.

We have had considerable correspondence concerning this well, through which we have received final approval by your office.

Pertaining to Lakeview #1, Mr. O'Driscoll verbally accepted and approved our \$25,000 bond and permit to drill Lakeview #1. He told me, "I'll cover you on that." Since that time we have contacted your office requesting a written copy of the approved permit papers we submitted and were told both times that your office would mail them to us.

The \$25,000 bond is sufficient to cover all drilling we may do in Utah according to the blanket bonding requirements.

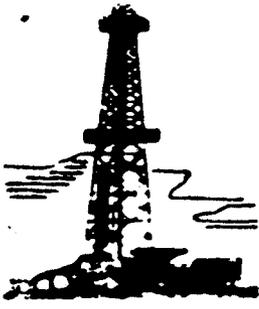

We are interested in complying with requirements and we have, to the best of our knowledge, done that.

Sincerely,

George F. Naylor  
President

Mr. George Naylor  
Combined Oil & Gas Company  
1515 South 1100 East  
Salt Lake City, Utah 84105

Dear Mr. Naylor:

In order to clarify our letter of November 20, 1978, please be advised that:

1. The Bond in the State of Utah has increased to \$10,000 per well, or \$50,000 blanket bond. Your bond of \$25,000 is insufficient to cover drilling wells, regardless of when the permits were granted.

2. It is our understanding that two wells have been spudded in Summit County, i.e., one in Section 30, T. 2S, R. 6E and one in Section 9, T. 2S, R. 6E. You have been advised that the well in Section 9, T. 2S, R. 6E is a non-permitted location.

I strongly urge that you make a personal appearance at this office relative to your statutory violations.

Sincerely yours,

*Cleon B. Feight*

January 11, 1979

George Naylor  
4628 Ledgemont Drive  
Salt Lake City, Utah 84117

Dear Mr. Naylor:

Please be advised that this Division is unable to accept the two "blanket" bonds filed by you on behalf of Utah Gas and Oil and Combined Gas and Oil, for the following reasons:

- 1) we cannot accept a "property" bond to cover to individual companies, with the same property involved.
- 2) the property must be described, according to legal location, in order that the bond may be recorded as a lien upon said property

As a result of the above, if the property is fully described, we will accept the "blanket" bond for either Utah Gas and Oil or Combined Gas, but not both. Unfortunately, in view of the fact that operations are currently on-going under each company name, it is suggested that you attempt to obtain a commercial bond for the remaining company, or make both operations under one company name or the other.

This bonding situation must be taken care of immediately.

Further, in the future, should your company (Utah Gas or Combined) spud any well in Utah without the prior written approval of this office, we will request the Attorney General's Office to take the necessary legal action to have you enjoined from further operations within the State of Utah.

Very truly yours,

CLEON B. FEIGHT  
Director

Re: Well No. Lakeview #1  
Sec. 16, T. 1N, R. 1W.  
Salt Lake County, Utah

Gentlemen:

This letter is to advise you that the Well Completion or Recompletion Report and Log for the above mentioned well is due and has not been filed with this office as required by our rules and regulations.

Please advise us of the present status of this well. Also please complete the enclosed Form OGC-3, in duplicate, and forward them to this office as soon as possible.

Thank you for your cooperation relative to the above.

Very truly yours,

DIVISION OF OIL, GAS, AND MINING

Re: Well No. Lakeview #1  
Sec. 16, T. 1N, R. 1W  
Salt Lake County, Utah  
(August '80-July '81)

Gentlemen:

Our records indicate that you have not filed the monthly drilling reports for the months indicated above on the subject well.

Rule C-22, General Rules and Regulations and Rules of Practice and Procedure, requires that said reports be filed on or before the sixteenth (16) day of the succeeding month. This report may be filed on Form OGC-1B, (U. S. Geological Survey Form 9-331) "Sundry Notices and Reports on Wells," or on company forms containing substantially the same information. We are enclosing forms for your convenience.

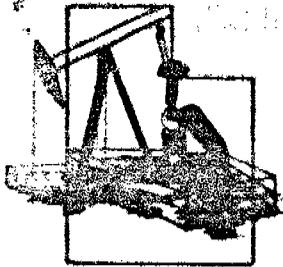

Your prompt attention to the above will be greatly appreciated.

Very truly yours,

DIVISION OF OIL, GAS, AND MINING

  
Sandy Bates  
Clerk-Typist

Re: Well No. Lakeview #1  
Sec16, T16, R1W  
Salt Lake County, Utah

Dear Ms. Bates:

Your request for monthly drilling reports on the above referenced well has been incorrectly referred to us.

Several years ago, Utah Gas & Oil entered into an agreement with Hiko Bell to drill a shallow well to 800' on their property near the Great Salt Lake in order for them to secure their lease. In 1979, after completing our drilling, Hiko Bell reclaimed their lease holding and left Utah Gas & Oil with no further interest in their operation. We have had no further contact with Hiko Bell and are not aware if they still retain this lease. In any case, Utah Gas & Oil is no longer involved and is, therefore, not responsible for making these reports.

Thank you for your attention to this matter.

Sincerely,

Barbara Crouse  
Office Manager

PURCHASE AGREEMENT

THIS AGREEMENT is made this 10 day of Sept 1981 by and between Utah Gas & Oil, a Utah corporation hereinafter referred to as "Seller" and 2100 North Properties hereinafter referred to "Purchaser". The parties agree as follows:

1. Seller hereby agrees to sell and transfer all of its right, title and interest in a water well located at 2100 North and 2200 West in Salt Lake County, State of Utah. Said property upon which the well is located is also known as the Gilmore Property.

2. Purchaser hereby agrees to purchase the property described in paragraph one and further agrees to pay Seller Two Hundred Dollars (\$200) in consideration thereof. Said purchase price will be tendered upon the execution hereof.

DATED this 9<sup>th</sup> day of September, 1981.

SELLER: Utah Gas & Oil

By Terry Seagle Pres

PURCHASER: 2100 North Properties

By [Signature]  
General Partner

*It is further understood that said well is located within the boundary of that certain contract between "Gilmore" and "2100 North Properties" dated March 1980 containing an easement located at the north west corner of 2100 North & 2200 West as per exhibit "A" attached. Above described well is also known as "Lakeview #1".*

Hiko Bell held lease on this well.  
Somehow Western United got involved  
& farmed this well out to Utah Gas  
& Oil. Refer to above farm lease.  
Utah Gas & Oil was going to plug  
the well & Hiko Bell sold lease to  
someone else. Other owners did not  
want it plugged so George Naylor  
is going to try to find out who  
the other people are

RE: Information on Lakeview  
 No. 1 Well.

Dear Mr. Naylor,

Recently you were contacted by Division personnel requesting activity and production information on the above-referenced well.

In response to this informational request you indicated that your firm was no longer the operator of said well. However, you made assurances that you would attempt to ascertain the party or entity that is operating the well. I have been unable to contact you. Nor have you contacted the Division.

The records maintained by the Division indicate that you are the operator of this well. Furthermore, there has been no information submitted on this well which complies with the rules and regulations of this Division.

Until proper documentation from all parties is submitted indicating that you are not the operator you are deemed responsible to comply with all applicable rules and regulations. Furthermore, you will be held liable for all consequences of non-compliance.

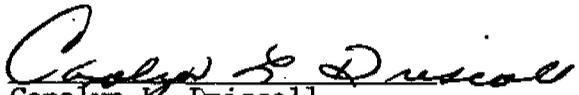

If accurate information on all activities and production for the above-referenced well is not submitted to the Division by April 30, 1982 I shall schedule an Order to Show Cause before the Board of Oil, Gas and Mining. Among the measures I shall request the Board to approve is a moratorium on all your future drilling applications and operations.

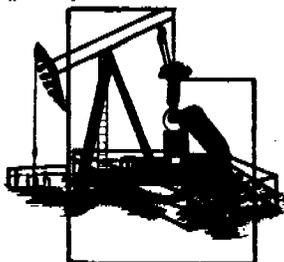

April 16, 1982  
Information on Lakeview No. 1 Well  
Page 2

Perhaps up to this point you have not realized the serious possible consequences of your failure to comply with the Division's regulations. The situation is serious and unwarranted. Furthermore, it will not be allowed to persist.

It is my wish that this matter be resolved without compelling you to appear before the Board of Oil, Gas and Mining. Therefore, if I can be of assistance please do not hesitate to contact me.

Sincerely,

  
Carolyn K. Driscoll  
Special Assistant Attorney  
General

UTAH GAS & OIL CORPORATION

1390 South 1100 East  
Salt Lake City, Utah 84105  
(801) 466-1122

April 23, 1982

RECEIVED  
APR 26 1982  
DIVISION OF  
OIL, GAS & MINING

Ms. Carolyn Driscoll  
State of Utah  
Natural Resources & Energy  
Oil, Gas & Mining  
4241 State Office Building  
Salt Lake City, Utah 84114

Dear Ms. Driscoll:

Enclosed is a copy of a sale of the above captioned well. This well was only drilled to 400 feet and since no gas was encountered as expected, no further activity was undertaken.

The property was subsequently sold as a well. Utah Gas & Oil has no part in the present status. You may contact the new owner at:

Mr. Earl Pace, President  
Palace Meat Company  
715 East 5th South  
Salt Lake City, Utah 84102

I am also enclosing a copy of a letter dated August, 1981 informing your division of the status of the well as far as UGO's terminated involvement in the property. We also sent a copy of this sale to Cari Furse (copy of letter enclosed). Hiko Bell's reclaiming the lease prior to the land property owner's sale of the property to Mr. Pace legally terminated our responsibility as operator under our contract with Hiko Bell.

Please coordinate your records within your division—we have been answering requests for information.

Sincerely,

Cleo Naylor

Re: Well No. Lakeview #1 - Sec. 16, T. 1N., R. 1W.,  
Salt Lake County, Utah - API #43-035-30006

You have reported the status of this well as a Shut In Gas Well; therefore, a "Well Completion Report" is due. If it is not completed, please do not state as shut in, but as Operation Suspended, which means that work has ceased on it for the time being. It is necessary to provide monthly status or drilling reports for all wells which have been spudded, but not completed.

Sincerely,

A handwritten signature in black ink that reads "Pam Kenna".

*PA file*

RE: Well Lakeview No. 1, Sec. 16, T.1N, R.1W, Salt Lake County, Utah

At the request of Mr. Russ Pack of your office, this letter is being sent to inform you of the existence of an unplugged well located on property currently owned by the Salt Lake City Corporation.

In 1978, Utah Gas & Oil Company drilled the above referenced well as an oil and gas exploratory well located 668' north and 609' west of the S 1/4 corner of the stated section. The operator, Mr. George Naylor, did not post a drilling bond for the well and also failed to plug the well in accordance with State requirements. A recent inspection of the well location revealed that the well casing is still open at the surface with water standing in the casing at ground level.

Since 1978, the property on which the well was drilled was sold to Mr. Earl Pace of 2100 North Properties. Mr. Pace knew of the existence of the well, but subsequently sold the property with its oil, gas and mineral rights to Salt Lake City Corporation on January 4, 1983 (see attached Warranty Deed). This property is currently listed as VTDI # 08-16-300-008-0000. A conversation between an inspector of the Division of Oil, Gas and Mining and Mr. Russ Pack of your office indicated that Salt Lake City Corporation probably did not know of the existence of the well upon purchasing the property.

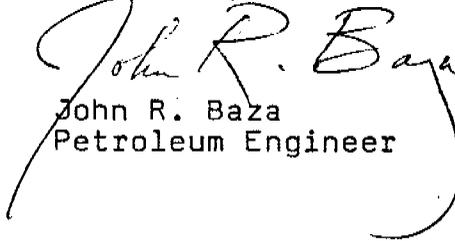

This well remains a concern to the Division. At this time, Division staff members are trying to determine a means for properly plugging the well as soon as possible; however, because there is no bond in place, it is not likely that action can be taken by the Division to accomplish the plugging work.

Because Salt Lake City Corporation currently owns this property this information is being provided to you for your consideration and suggestions on how to resolve this problem. Please contact us if you require any further information. Thank you for your assistance in this matter.

Sincerely,

John R. Baza  
Petroleum Engineer

TO: Well File  
From: Carol Revelt and Glenn Goodwin  
Re: Plugging of the Lakeview #1 Well, Sec. 16, T. 1N, R. 1W,  
Salt Lake County, API # 43-035-30006

On July 21, 1987, Glenn Goodwin, with the support of workers from the maintenance department of the Salt Lake International Airport, plugged the Lakeview #1 well, located on Airport property. The well is cased to a depth of 375'.

The following plugging procedure was used:

1. 30 sacks of coarse bentonite were slowly poured into the cased hole.
2. A surface plug of 3 sacks of cement was set.

Due to severe weather conditions during plugging, Airport representative Harold Hunsinger agreed to weld a metal cap on the well when the weather improved. The well will be inspected in two weeks for compliance with this request.

Glenn Goodwin, Ed Deputy, and Carol Revelt from DOGM were on site for the plugging procedure. Harold Hunsinger supervised the Airport crew.

No completion report will be submitted for this well because the Salt Lake Airport has no knowledge of the well history. All information available to the Division on this well is contained within this folder.

The well can now be removed from drilling status and re-classified as plugged and abandoned.

Individual Well Summary

Well Name: Lakeview #1

API No.: 43-035-30006

Location: 668'FSL, 2031'FWL, Sec.16, T.1N, R.1W,  
Salt Lake County, Utah

Initial Operator: Utah Gas & Oil Corp., George Naylor,  
President

Current Leaseholder: Salt Lake City Corporation (See attached  
Warranty Deed and well location map.)

Lease No. or Type: Fee

Current Well Status: Well drilled to 400' but never completed or  
plugged.

Bond Status: According to info in this file Utah Gas &  
Oil never provided acceptable bond  
information - only submitted bond  
application with Utah Gas and Oil as  
principal and George Naylor as surety.  
Current leaseholder never posted bond.

Inspection History:

05-17-85: Inspected by Dorothy Swindel

08-13-86: Inspected by Glenn Goodwin and Carol Revelt

Correspondence History:

08-28-78: Affidavit that George Naylor agrees to act  
as surety for bond. Notarized by Cleo  
Naylor. Unsure as to date this affidavit  
was received by the State.

09-05-78: \$25000 Bond posted for Lakeview #1 well  
with Utah Gas & Oil as principal and George  
Naylor as surety. Bond is not notarized.  
Unsure as to date it was received by the  
State.

10-24-78: Sundry Notice: conductor pipe & surface  
casing set. Depth 392'. Drilling by cable  
tool.

Individual Well Summary (continued)

- 11-20-78: Letter from DOGM indicating that permits to drill were never issued for this well or for the Sec.9, T.2S, R.6E Summit County well nor were valid bonds in effect for these wells. Request Naylor to appear in office within 10 days to "explain why these flagrant violations have occurred." APD requesting confidential status - proposed depth 4000'.
- 11-27-78: Letter from George Naylor on Combined Gas & Oil stationery indicating that he received verbal approval to drill well and of bond coverage of \$25,000 by Mr. Driscoll. Said he contacted office for approved permit papers several times and was told that they would be sent. Letter states that Naylor has enclosed a copy of the APD for the YR #1 Well but that is not the well referred to in the 11-20-78 letter from DOGM.
- 11-29-78: Letter from DOGM indicating that \$25,000 blanket bond is insufficient to cover all drilled wells. Also advises that one of his Summit County locations is a nonpermitted location.
- 01-02-79: Naylor issued two blanket bonds each for \$50,000. One lists Utah Gas and Oil as principal and George Naylor as surety and the other lists Combined Gas and Oil as principal and George Naylor as surety. Both are notarized by Cleo Naylor.
- 01-02-79: Letter from DOGM - "Unless problems are taken care of DOGM will request that the Attorney General take action to plug wells."
- 01-11-79: Letter from DOGM advising that the two blanket bonds submitted by Naylor are unacceptable - immediate action is requested.
- 03-18-80: Letter from DOGM requesting Well completion report.
- 07-09-81: Letter from DOGM requesting monthly reports from 8-80 through 7-81.

Individual Well Summary (continued)

- 08-07-81: Letter from Utah Gas & Oil indicating that Hiko Bell reclaimed lease holding in 1979 so Utah Gas and Oil no longer has interest in responsibility of well.
- 02-09-82: Final notice of request for Well Completion Report. If no action is taken within 14 days the file will be turned over to the attorney.
- 04-16-82: Letter from C. Driscoll at DOGM stating that if information is not received she will request a moratorium on future drilling applications and operations by Board. Letter states that until proper documentation of change of ownership is received that George Naylor is still the operator and still is responsible to comply with rules. Sundry Notice: Spudded 9-78. TD reached 9-78 Misc Sundry Notices: Well shut in 3-80 through 9-81. Sundry Notice: Property was sold with mineral rights on 9-10-81 to 2100 North Properties, Earl Pace, President.
- 11-05-82: Sundry Notice: Change of operator form indicating that Earl Pace knows of existence of well on location. Note from Norm Stout: Pace never put up a bond so Naylor is still responsible for plugging well. He advises that a letter be sent asking status and well plugging intentions.
- 01-04-83: Copy of a Warranty Deed obtained from the Salt Lake County Recorder's Office showing sale of the lot where Lakeview #1 well is located to the Salt Lake City Corporation by Earl Pace. Document was obtained in September, 1986, during a title search.
- 05-02-85: Letter from DOGM asking for monthly reports and current well status.
- 05-17-85: Inspection Report: no sign, open pipe at the surface, water standing in pipe.
- 08-13-86: Inspection Report: same condition as last year. [There is a FOR SALE Sign on the lot where the well is located.]

INDIVIDUAL WELL SUMMARY (continued)

- 10-21-86: Letter from DOGM to John Wheat, Dir. of Administration of Salt Lake International Airport, informing him of the existence of the Lakeview #1 well on property controlled by Salt Lake Airport.
- 11-07-86: Anthony Beckstead, representing Salt Lake International Airport, contacted DOGM about plugging specs and requirements for the Lakeview #1. John Baza said he would return the call after reviewing the well file.
- 11-21-86: DOGM contacted Mr. Beckstead and gave him plugging specs. He also referred Mr. Beckstead to Glenn Goodwin of DOGM if he has any other questions regarding plugging procedures/techniques.

Problem Summary:

No sign, open pipe at surface, water standing in pipe. No valid bond ever posted. Issued several requests for monthly well notices and proper well information. Naylor spudded on supposed "verbal approval" - DOGM states that he was never issued a permit before he spudded the well. "Untimely drilling procedures." According to drilling reports found in file the well was never tested - it was shut in for three years before selling the property to Earl Pace.

Recommended Action:

Have Earl Pace submit a bond, plug the well, and restore the site.

Re: Wells listed under N0000/Unknown Operator on Fee and State leases.

All wells previously listed under N0000/Unknown Operator on Fee and State leases, have been changed back to the last known operator, based on information obtained from the well files. Wells that are currently in Shut-In, OPS, or TA status have been assigned Entity numbers. Bond availability has been reviewed for wells on Fee land. Operator's with unplugged wells will now show up on the monthly turnaround report under the last known operator, except for those wells with TA or OPS status. However, due to the fact that the majority of these operators no longer exist, and the fact that the wells have been in unknown operator status for several years, the operator's addresses have been X'd out to prevent mailing of the monthly report.

My intentions are to follow-up with St. Lands/Ed Bonner on lease cancellations, assignments & bonding for wells drilled on State leases.

The Tax Commission will be notified of these changes, and asked to continue to hold off on any action until DOGM advises otherwise.

I hope this change assists in determining future action regarding the unplugged wells within the state. I have attached information for your review. Please advise me of any additional steps to take.
