Section 4-7423-R19E
San Juan County, Utah

Gentlemen:

The Applications for Permit to Drill the referenced wells were approved on September 8, 1980. Since that date no known activity has transpired at the approved locations. If you intend to drill at these locations at a future date, new applications for permit to drill must be submitted.

This office requires a letter confirming that no surface disturbance has been made at these drill sites. Any surface disturbance associated with the approved locations of these wells will be rehabilitated. A schedule for the rehabilitations must then be submitted to this office. Your cooperation in this matter is appreciated.
