Re: Well No. State Bountiful
Sec. 6-4N-8E
Summit County, Utah

Gentlemen:

Your letter of January 5, 1982, requested information as to the drilling of the subject well. The well has not been spud because of a land owner problem. Because of the problem, the State granted a two-year extension to the lease. We have been in contact with the land owner to obtain approval for entry onto his land and we hope this will be accomplished by mid-February 1982. We do plan to drill at this location before the fall of 1982 when our lease expires.

If any further information is needed, please contact the undersigned.

Very truly yours,
