Dear Sir:

It has come to the attention of this office that you are drilling a well in the ~~CNW~~^{NE} of Section 8, Township 7 South, Range 22 East, SIM, Uintah County.

Under the general rules and regulations adopted by the Utah Oil and Gas Conservation Commission any individual or corporation intending to drill for oil and/or gas in the State of Utah must file a notice of intention to drill with this office and have said notice approved by the Commission before commencement of drilling operations except for those cases which fall under Rule A-3 of these rules and regulations.

It appears that this well does not fall within the exception provided for under Rule A-3.

Therefore, you are requested to file a notice of intention to drill with this office immediately for approval.
