Re: Notification of Sale or Transfer of Fee Lease Interest

Dear Ms. Courington:

The Division has received notification of a operator change from Hollandsworth & Travis to Summit Operating, LLC for the attached list of wells which are located on fee leases.

Utah Administrative Rule R649-2-10 states; the owner of a lease shall provide notification to any person with an interest in such lease, when all or part of that interest in the lease is sold or transferred.

This letter is written to advise Hollandsworth & Travis of its responsibility to notify all individuals with an interest in this lease (royalty interest and working interest) of the change of operator. Please provide written documentation of this notification to:

Utah Royalty Owners Association
Box 1292
Roosevelt, Utah 84066

Your assistance in this matter is appreciated.

The well files have conflicting casing shoe depths. Logs will be run to determine the actual depth and tubing depths will be based on the results.

This well currently has no tubing string and is producing up the casing.
