Dear Ms. Edge:

In your letter of August 22, 1978 to this company you request montly reports on a well State #1, Sec. 2, T. 7S., R. 25 E., Uintah County, Utah. Twin Arrow has no lease-holding in this section. We did, however, request a permit to drill a well in Section 22, T. 7S., R. 25 E., Uintah County, Utah. We were unable to drill this well before the lease expiration date of February 28, 1978. It was our belief, therefore, that we no longer had any rights on this lease, nor any need to file reports.

Please check your files and determine if we still hold the lease ML-25123. If so, we will be happy to file the reports you request.

Sincerely,  
  
Diana Grunig  
Geologist
