Re: APD Rescinded – WV 14W-4-8-21, Sec. 4, T. 8S, R. 21E
Uintah County, Utah API No. 43-047-34040

Dear Ms. Searle:

The Application for Permit to Drill (APD) for the subject well was approved by the Division of Oil, Gas and Mining (Division) on June 12, 2001. On August 19, 2002 the Division granted a one-year APD extension. On December 2, 2003, you requested that the division rescind the state approved APD. No drilling activity at this location has been reported to the division. Therefore, approval to drill the well is hereby rescinded, effective December 2, 2003

A new APD must be filed with this office for approval prior to the commencement of any future work on the subject location.

If any previously unreported operations have been performed on this well location, it is imperative that you notify the Division immediately.

Sincerely,

Diana Whitney

Dear Ms. Searle:

The Application for Permit to Drill the above-referenced well was approved on October 1, 2001. A one (1) year extension of the original APD was requested. The request was reviewed and the extension approved until October 1, 2003. According to our records, no known activity has transpired at the approved location. If you intend to drill at this location at a future date, a new Application for Permit to Drill must be submitted.

This office requires a letter confirming that no surface disturbance has been made for this drill site. Any surface disturbance associated with the approved location of this well is to be rehabilitated. A schedule for this rehabilitation must be submitted to this office. Your cooperation in this matter is appreciated.
