Re: APD Rescinded – Bitter Creek 12-24-23-19, Sec.19, T.12S, R.24E
Uintah County, Utah, API No. 43-047-38414

Dear Mr. Arlian:

The Application for Permit to Drill (APD) for the subject well was approved by the Division of Oil, Gas and Mining (Division) on August 14, 2006. On August 14, 2007 and on August 13, 2008 the Division granted a one-year APD extension. On December 18, 2008 you requested that the division rescind the approved APD.

No drilling activity at this location has been reported to the division. Therefore, approval to drill the well is hereby rescinded, effective December 18, 2008.

A new APD must be filed with this office for approval prior to the commencement of any future work on the subject location.

If any previously unreported operations have been performed on this well location, it is imperative that you notify the Division immediately.

Sincerely,

Diana Mason
Environmental Scientist
