-----

This cause came on for hearing before Cleon B. Feight, sitting as a Hearing Examiner as authorized by Section 40-6-3.2, Utah Code Annotated, 1953, at 10:00 a.m., on Tuesday, November 23, 1982, in the House of Representatives Lounge, State Capitol Building, Salt Lake City, Utah.

NOW, THEREFORE, the Board having considered the evidence and being advised in the premises, now makes and enters the following:

FINDINGS OF FACT

1. Due and regular notice of the time, place and purpose of the hearing was given to all interested parties in the form and manner and within the time required by law and the rules and regulations of the Board.

2. The Board has jurisdiction over the matter covered by said application and over all parties interested therein and has jurisdiction to make and promulgate the Order hereinafter set forth.

3. That drilling and spacing units were established for the Winter Camp Unit Area as a result of the Orders issued in Cause No. 4, dated December 5, 1956, and Cause No. 13, dated September 18, 1958.

4. That Section 40-6-11, UCA, 1953, among other things, provides that the Oil and Gas Conservation Act shall apply to any and all lands committed to a Unit Agreement approved by the Secretary of the Interior, except that the Board may with respect to any unit agreement, suspend the application of the Rules and Regulations.

Under Rule A-3, the Board has suspended the application of most of the General Rules and Regulations insofar as unit agreements are concerned.

5. That the Board, after notice and hearing, may vacate any prior Orders applicable to a Unitized area which does not affect vested rights and will allow the operator more flexibility or mobility in the operation of said unit.

6. Burton W. Hancock, operator of the Winter Camp Unit, has recommended to the Board that the Orders establishing drilling and spacing units be vacated as to this unit.

7. That the staff is in agreement with the Unit Operator and is of the opinion that Burton W. Hancock needs flexibility in the placement of wells with respect to the Winter Camp Unit Area.
