

2nd Annual Uintah Basin Energy Days

August 4-5, 2004 • Western Park Complex, Vernal, Utah

"Burgers, Bluegrass & BTU's"

May 28, 2004

Invitation to Sponsor and Exhibit

Dear Friends:

The Independent Petroleum Association of Mountain States (IPAMS) and the Vernal, Utah, Area Chamber of Commerce, will host the Second Annual "Uintah Basin Energy Days" Expo and Conference, August 4-5, 2004, at the Western Park Complex in Vernal. The purpose of the Expo is to educate local business leaders and the public about what we do as an industry, how we do it, and the benefits we provide to local, state and national economies.

In addition to an ongoing educational Exhibit Hall, an informational conference is planned for August 4, featuring prominent policymakers and industry and government leaders. Exhibitors, seismic and fracturing fluid demonstrations, educational programs, kids activities, prizes, free food, and a bluegrass band will all add to this fun and educational event.

In conjunction with the Expo, we are offering a variety of Sponsorship and Exhibitor opportunities. Please see the attached **Sponsorship Form** for further descriptions of the levels of sponsorship. All sponsors will be recognized with signage and banners. Also enclosed is an **Exhibitor's Form**. Further information will be provided to you upon receipt of the form.

Please return the sponsorship form to IPAMS or fax to 303-893-0709 – along with your payment – no later than Friday, July 2. Upon confirmation, we will provide you with further information. In the meantime, please contact Carla Wilson, 303-623-0987 or cwilson@ipams.org, if you have any questions.

Don't miss out on this important public outreach effort for the Uintah Basin! Let's make it even bigger and better this year! Thanks for your generous support!

Sincerely,

Bob Davis
IPAMS Utah State Vice President

Richard Harrington, Executive Director
Vernal Area Chamber of Commerce
