

NOW, THEREFORE, the Board having considered the testimony of the witnesses and the exhibits received at said hearing and being fully advised in the premises, now makes and enters the following:

FINDINGS

1. Due and regular notice of the time, place and purpose of the hearing was given to all interested parties as required by law and the rules and regulations of the Board.

2. The Board has jurisdiction over the matters covered by said Notice and over all parties interested therein and has jurisdiction to make and promulgate any Orders hereinafter set forth.

3. The Green River Formation is a common source of supply of gas underlying the following described tract of land:

Township 7 South, Range 24 East, S.L.M.

Section 11

4. In the interests of conservation and the prevention of waste, and for the protection of the correlative rights of the various operators and owners of oil and gas interests within the above described area, and to prevent the drilling of unnecessary wells, the Board should enter an order establishing stand-up 320 acre drilling and spacing units (east half and west half of said section), running in a north-south direction, for the development of the Green River Formation for the production of gas underlying the above described area, and providing that no more than one gas well shall be drilled and produced from the said Green River Formation on any such unit.

5. The Board should establish well locations within the proposed units lying not less than 660 feet from the north line and 660 feet from the east line of the Northeast Quarter and not less than 660 feet from the south line and 660 feet from the west line of the Southwest Quarter of said Section 11.

6. The Board should have the right administratively to make exceptions to the well locations as established in Paragraph 5 above when it appears that there are adequate reasons because of topographical and other structure problems in the area.

ORDER

IT IS THEREFORE ORDERED:

To prevent waste of oil, gas and associated hydrocarbons, to avoid the drilling of unnecessary wells, to protect correlative rights and to establish drilling units of uniform size and shape for the promotion of more orderly development of the lands described in Paragraph 3 above, the following Orders are hereby promulgated to govern operations in said area effective as of December 18, 1980:

A. That upon the effective date any and all Orders of the Board heretofore promulgated which are inconsistent with the Orders herein set forth shall be and are hereby vacated.

B. That the drilling units as set forth in Paragraphs 4 and 5 above are hereby established for the development and production of gas from the Green River Formation underlying the lands described in Paragraph 3 above.

C. That the Board may by administration make exceptions to the well locations described in Paragraph 5 above in the event that topographical and other structural variations so require.

D. That the Board retains exclusive continuing jurisdictions of all matters covered by this Order and of all parties affected thereby and particularly that the Board retains and reserves exclusive and continuing jurisdiction

to make further orders as appropriate as authorized by statute and applicable regulations.

ENTERED THIS 18th DAY OF December, 1980.

BOARD OF OIL, GAS AND MINING
OF STATE OF UTAH
