

eReport Validation Checks

PRODUCTION Validation Checks

Invalid Well API Number.
Duplicate API Number and Production Zone.
API Number is not associated with the proper Entity Number.
API Number is not associated with the proper Producing Zone.
API Number is not associated with the proper operator account.
When the reported Well Status is Shut In or Temporarily Abandoned, then "Days Operated" must not be greater than 0.
When status is Producing, then "days operated" must be greater than 0.
The reported "Days operated" is greater than the number of days in the month.
Well Status code of 'P' should have a production volume greater than 0.
Well Status code of 'S or TA' should not have a production volume greater than 0.
Well Status code is not a valid.
Production Data was not updated for a well.

DISPOSITION Validation Checks

Well is missing its associated disposition report.
Invalid Entity Number.
Entity Number is not associated with the proper operator account.
BTU is required when Gas Volume Transported is greater than 0.
BTU was reported but the Gas Transported Volume was 0.
The reported BTU is not in an acceptable range between 300 and 2000.
Gravity is required when the Oil Volume Transported is greater than 0.
Gravity was reported but the Oil Transported Volume was 0.
The reported Gravity is not in an acceptable range between 10.00 and 95.00.
Dispositions for Oil do not balance mathematically (Ending Inventory not equal to Beginning Inventory + Produced Quantity - Transported - Used - Other).
Previous month Oil Ending Inventory not equal to current month reported Beginning Inventory.
Dispositions for Gas do not balance mathematically (Gas Production not equal to Transported volume + Used on Site + Flared/Vented + Other dispositions).
Disposition Data not reported for Entity.
The sum of the Gas Production volumes on the Production Report are not equal to the Gas Production volume on the Disposition
The sum of the Oil Production volumes on the Production Report are not equal to the Oil Production volume on the Disposition
Disposition volumes cannot be reported as negative numbers.
