Operator request the release of well-plugging or surface facility bond: _____

A request for bond release will follow procedures outlined in Utah Admin. Code R649-3-1.15

Operator acknowledges that bond coverage is to remain in full force and effect until released by the Division of Oil, Gas, and Mining.

Initial Here

Operator acknowledges that any well(s) associated with the referenced well-plugging bond must be plugged and the site(s) reclaimed; or the surface facility closed and site reclaimed.

Initial Here

Operator acknowledges that the Division of Oil, Gas, and Mining is required to publish a Notice of Agency Action in the main state paper and all well(s) or surface facility location(s) local county paper. This is followed by a 15-day comment period that will start the date of the last publication.

Initial Here

Operator acknowledges the Division of Oil, Gas, and Mining will conduct a final field inspection on the well(s) or surface facility associated with the bond. Inspections will be conducted as soon as weather and inspectors schedule permits.

Initial Here

Operator acknowledges that the Division of Oil, Gas, and Mining field inspectors will review that any well(s) or surface facility located on private mineral leases have a surface owner waivers.
